Watching your dog die is like watching a friend die. You can't help but feel a little bit of the pain that the dog has just died.

In a study, researchers found that dogs who were euthanized were more likely to be adopted than those who were not.

From the moment you see a dog, you know you're going to love it. It's just a matter of time before you're hooked.

Everyone knows that dogs are our best friends. But what happens when your dog dies?

I was out there.

BUT THE
NEXT DAY
I WAS AWAKE
AND I WAS
